

HydraFacial™ Pre-Treatment Instructions

- **One (1) week prior to treatment, the following treatments and products should be avoided:**
 - Waxing, depilatories, electrolysis, or laser hair removal on treated area
 - Laser skin rejuvenation on treated area
 - Botox® & Dermal Filler Injections on or around the treated area
 - Exfoliating masques, loofahs, and other coarse sponges

- **Three (3) days prior to treatment, discontinue use of the following products:**
 - Tretinoin or any retinoic acid derivatives (Retin-A, Renova, Refissa, Retinol, Atralin, Avita, Tazorac or Avage, Ziana), Azelex, or Differin

- On the day of your appointment, please come to the spa with a fully cleansed face; no makeup, aftershave, or cologne should be applied. Avoid shaving the day of the treatment.

- Clients with a history of recurrent herpes outbreaks should be treated with Valtrex® on the morning of the treatment and continue as prescribed.
